On-site housing is very popular — and very limited. If you plan to stay on-site, apply now!

Only 17 single housing units, 4 doubles and 3 cottages are available to students. This is on a first come first serve basis

Three types of on-site student housing units are available at ACA:

- 1) Room with one double bed and a private bathroom w/shower
- 2) Room with one double bed and one sofa sleeper, private bathroom w/shower, handicapped accessible -
- 3) Private Cottage: The ultimate workshop retreat with upper level bedroom with queen bed, private bathroom, living room with queen sofa sleeper, fully equipped kitchen, washer/dryer, porch/deck – and new 32” TV’s (but no cable)

All units have individual bathrooms, heating and A/C control, desk/countertop, refrigerator, clock radio, bed & bath linens, soap and toilet tissue. The double rooms with sleeper sofa is handicap accessible. The cottages have TVs without cable service, cellular service is spotty and there is no maid service. (Wi-Fi is available in housing and studios) ACA is a no-frills retreat, so it does not have the amenities you would expect at a motel/hotel/resort, such as shampoo, hair dryer, etc., so pack accordingly. What it lacks in luxury it makes up for in convenience. Units may be shared, but each has only one set of towels and one replacement set. There are no extra towels, blankets, pillows, soap, etc., available, so come prepared. We'll reserve each unit in one name, but let us know the names of your companions to be sure no one has “double booked.” Each unit has only one key and that key will only be given to the person making the reservation or person(s) designated in writing by the main renter.

**Smoking is not permitted in rooms or surrounding area. Smoke only in designated areas on campus.
No Pets allowed in rooms or on campus**
